FASTI 1947

About thirty years ago Mrs. Lana Conger, a former Chaffey teacher, gave the name Fasti to our yearbook. Since she had a deep and abiding love for the Latin language, it was to that source she turned for a name. Fasti has its derivation from the Latin verb *fari*, *fatus*, meaning to speak. Our word *fate* comes from this same verb and means that which has been spoken by the gods and cannot be changed.

Ovid, a great Latin poet living during the time of Augustus, wrote a long poem called *Fasti*, which was a calendar of events somewhat allied to *fatus*, that which had been spoken or had happened. Hence, our yearbook, the *Fasti*, is a calendar or record of the year's events.

Foreword

Dancing is the Indian's chief medium of expression. Colorful and rhythmic, these expressive dances are animated prayers for salvation and are an attempt to attain his life's goal.

Four dances have been chosen for the divisional pages of this book. In the Corn Dance each Indian adorns himself with green corn stalks and dances for rain to ensure a good harvest. Before the hunt the Indian, wearing the head of the buffalo over his own head and shoulders, dances, chanting to the God of the Hunt. Honoring a Kachina or God, the Kachina Doll Dance uses the full costume of the Kachina. Believing that the snake is an intermediary to God, the Indian chants to snakes throughout the Snake Dance. At the end of the ceremony, four warriors, following the points of the compass, carry the snakes out into the desert and release them to go down to the lower world to give the messages of the Indians to God.

Through the dances the Indian expresses his desire for success in his endeavors. Students of Chaffey are the recipients of a rich educational heritage, and through the wise use of that heritage, they are, like the Indian, striving toward the realization of their ultimate ambition.

I hope I see you soon

Best wishes

DEDICATION

Mrs. Ruth L. Johnson came to Chaffey as a member of the science department faculty in 1932. Since that time as a teacher of chemistry and faculty adviser to the Girls' League, she has endeared herself to her pupils and to the host of girls whose lives have been influenced by association with her.

As a token of our sincere appreciation and gratitude for the many things she has done for and with us, we, the class of 1947, dedicate our yearbook to Mrs. Ruth Lewis Johnson.

Ernest W. Fischer

Principal

To the Class of 1947:

Your class has met successfully many school problems caused by the World War. This fact gives us confidence that the members of the class will solve the many individual problems that will be yours in the days of reconstruction.

The world needs men and women of stout hearts and trained minds—young people of character and determination.

The good wishes of Chaffey go with each of you that you may have success and happiness during the coming years.

Sincerely, your friend,
Ernest W. Fischer

Gardiner W. Spring

Superintendent

When George Washington took the oath as President of the United States, he opened the Bible and placed a finger on this sentence: "What doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?" To you, members of the Senior Class of 1947, who are graduating from Chaffey I ask you to ponder over the meaning of these words. You, like George Washington, are now entering upon new and important duties. I give you this bit of Scripture as a guiding principle of your lives. The best wishes of Chaffey will ever abide with each one of you.

A generous share of the credit for the enviable position Chaffey holds among the high schools of California should go to the members of the Board of Trustees. Usually unappreciated, but tremendously important, is the thought, the time, and the work devoted to the interests of Chaffey by these men.

Serving on the Board of Trustees with President H. S. Bailey, retired manager of the Exchange Orange Products, who is now consultant for the Food Machinery Company of San Jose, are F. W. Dundas, citrus grower; L. E. Bartlett, attorney; J. S. Bailie, Deputy Assessor for San Bernardino County, and N. E. Trautman, real estate and investment broker.

Olof E. Snyder

Vice-Principal

All who seek his advice know Vice-Principal Olof E. Snyder as a friend who is always on hand to listen to their troubles and to help in finding the right answer to them. This job is a difficult one because it frequently involves the use of corrective measures, but every boy respects the spirit of fair-play and sportsmanship with which cases of discipline are handled.

Lucile B. Bailey

Dean of Girls

Although new to our faculty and campus this year, Mrs. Lucile Bailey, Dean of Girls, has already become a very important person in the life of every Chaffey girl. Her charming personality and her very personal interest in their problems have endeared her to all girls on the campus. She is one of the faculty advisers of the Girls' League.

Ernest A. Payne

Student Counselor

"When a fella' needs a friend," Student Counselor "Ernie" Payne is always around to come through with the necessary help and advice. His thoughtfulness and understanding, touched with his incomparable humor have helped guide many students over the rough spots which they have encountered in their school activities. He is faculty adviser of the Student Body, Executive Committee, Scholarship Society, and Fasti.

In every organization there must be a driving force which "makes the wheels go 'round.'" At Chaffey we find that force personified in the office personnel. Their duties are so varied and complex that it would be impractical to enumerate them here. The efficiency of their work, however, is reflected in the smooth running of Chaffey as an institution.

First Semester

Under the leadership of President Jim Hayes, the first semester Executive Committee provided the inspiration for many activities which enabled us to start the year off in an auspicious manner. With a record-breaking sale of over 2,000 student body tickets the Executive Committee was assured of student support in all of its activities. The management of student body business and student affairs was done with efficiency and precision.

Second Semester

After one of the most exciting elections ever held at Chaffey, the second semester Student Body Executive Committee was elected, with Kenny Litchfield as president. The Executive Committee introduced many novel activities which helped to brighten our school year. The Costume Ball was the really big event, being the first ever held on the Chaffey campus. Assemblies, dances and a March of Dimes campaign were among the other student body activities.

FRESHMEN

The increase in the community population was reflected in the enrollment of this year's freshman class, which is the largest class ever to enroll at Chaffey. A record group of six hundred and ninety-eight freshmen entered Chaffey last September. Gradually the shyness wore off, and the class of '50 began to take an active interest in all the campus activities.

Included in the highlights of the year were the Freshmen Assembly and the Freshmen Mothers' Tea. A Thanksgiving theme was carried out when the freshmen presented, "The Smell of Powder," a one-act play, to the Student Body on November 27. Variety numbers of the class displayed talent in the sophomores-to-be. On November 20 the freshmen entertained their parents and friends at the annual tea. A Thanksgiving theme was carried out in the program and decorations.

The participation of the freshmen in all school activities indicates that they will assume places of responsibility in the Student Body.

Miss Ruth Weber, class adviser, was assisted in the direction of Freshmen activities by Miss Verona Drummond, Mr. Archie Moore, and Mr. Edward Tomasian.

UPLAND

This year there were 108 students enrolled at the Upland Branch of Chaffey Union High School. At midterm Mr. Ernest Camfield was appointed principal to succeed Mr. Harold Cook, who was relieved of his junior high school duties so that he might devote more time to his responsibilities as superintendent of the Upland Elementary Schools.

Twenty-two Upland students qualified for membership in the California Scholarship Federation. The school newspaper, "The Bijou," completed its second year of publication and established itself as a part of the school tradition. The football team, coached by Clyde Frishholtz, played an untied, undefeated season to win its championship. The yell leaders kept the rooting section on its toes at all games.

Through its interest in athletics as indicated by a long history of fine teams, Upland Junior High was this year admitted to membership in the California Interscholastic Federation.

The class entering Chaffey from Upland in September promises to be one of the most active groups in the history of the school.

SOPHOMORES

It wasn't a robin that heralded the first sign of spring; it was the annual sophomore tea presented on February 26. When parents and friends of the sophomore class entered the Chaffey Apartments, they left behind them for a few hours the drab, wintry day and walked through an enchanted fairyland of springtime.

While the sophomore athletic teams didn't win any C.B.L. championships, they performed very credibly in basketball, football, and track.

On May 23, the sophomores presented a delightful assembly to the student body, featuring class talent.

When the sophomores return to Chaffey next September they will be upper classmen. Their record this year indicates that they will be adequately equipped to participate in organizing upper class activities.

Mrs. Jeanette Varnum, class adviser, was assisted in planning the activities by Mr. Arleigh McConnell, Miss Mary Robinson, and Mr. Harold Wilson.

JUNIORS

In their first year as upper classmen, the juniors, led by Presidents Sherwood Beck and Dino Papavero, aided the seniors in organizing the upper division activities.

On December 13, the juniors entertained the seniors at the Christmas Formal, which carried out the theme, "Winter Wonderland." Large candy canes, tinsel, and a brightly decorated Christmas tree transformed the girls' gymnasium into a delightful fairyland.

Typical American scenes provided the theme for the Junior Assembly, presented to the student body on March 14. A one-act play, "The Trysting Place," by Booth Tarkington, under the direction of Miss Mary Armstrong, established a spirit of Americanism. A musical background was provided by the glee clubs under the direction of Miss Ruth Krouch.

Other highlights of the year included the Junior Tea presented on March 26, and the Junior-Senior Reception on June 6. At the Reception the juniors continued the Chaffey tradition by playing host to the graduating seniors.

Mrs. Marie Frank, junior class adviser, was assisted by Mr. Beardwood, Mrs. Clara Payne, and Mr. Burton Wiley.

The oldest landmark on the Chaffey campus, the bookstore boiler room was destroyed by fire Sunday evening, January 12, 1947. The glow of the flames was visible for several miles and drew hundreds of people to the scene. In spite of the efforts of the Ontario and Upland fire departments the building was a total loss.

Because of the damage to the campus heating system located in the building, classes were dismissed for a week.

The destruction of the building and the school equipment it contained was not only a financial loss but a serious inconvenience to the school engineers and to Mr. Leo Pauley and his bookstore staff.

SENIORS

"I'm bid seventy-five cents; who'll make it a dollar? Going once, going twice, sold to the girl in the red dress."

The auctioneer's hoarse chant rose above the din and confusion as students milled about on the lawn in front of North Hall. The scene was the annual Senior Pie Sale, held March 27 during a combined noon period. The sale grossed \$325, which was used to finance the annual Senior Day. June 3 was scheduled as Senior Day, and seniors were excused at noon to participate in an afternoon and evening of amusements and recreation. Festivities of Senior Day commenced with stunts, games, contests, novelty races, relays, swimming, and organized sports, including hockey, softball, and volleyball. Other activities included a full-length movie, a barbecue, and an informal dance.

On May 23 the seniors played host to the juniors at the Spring Prom, held in the girls' gymnasium. On June 6 the juniors received the graduating seniors at the annual Junior-Senior Reception.

A capacity audience filled the Chaffey Civic Auditorium on the evening of February 21, as the senior class presented the senior class play, "Janey's One-Track Mind." The play was enthusiastically received as the audience witnessed the trials and tribulations of Janey and the characters bumped into by her one-track mind.

The first thing the seniors considered when they returned to Chaffey last fall was the matter of ordering senior sweaters. Sample sweaters were displayed in a senior assembly and the style and color voted on. One week later representatives of the knitting mills were at Chaffey to take the orders for sweaters. The sweaters chosen were a light, blue-gray with ice blue and white emblems.

The senior assembly was presented January 27 in the Chaffey Civic Auditorium. The audience was captivated by an all-star variety show, climaxed by a truth or consequences sequence.

On the evening of June 12 the largest senior class in the annals of Chaffey received their diplomas, and the class of "'47" was a thing of the past.

Music Dept.

Mr. Lester Schroeder returned to Chaffey this year after serving two years in the U. S. Army. He has worked with K.F.I. and K.H.J. The Chaffey Symphonic Band and Marching Band perform under the direction of Mr. Schroeder.

Mr. Shirley Snider, a former Chaffey student, attended Pomona College and the Rochester School of Music. He is known quite widely as a pianist and we consider ourselves very fortunate to have him in charge of our instrumental music department.

Miss Ruth Krouch is a newcomer to Chaffey this year. She studied at the Julliard School of Music, the University of Southern California, and Nebraska Wesleyan, where she received her Bachelor of Arts Degree.

Marching Band

During the halftime periods of football games the spectators were entertained by the colorful routines of the girls' drill team, supervised and trained by Miss Betty O'Keefe. The marching band in its flashy scarlet and blue uniforms appeared at all football games and led the rooting section with its enthusiastic playing.

Christmas Prom

The Junior class, under the leadership of its president, Sherwood Beck, and the direction of the class adviser, Miss Marie Frank, sponsored the Christmas Prom. In keeping with the theme "Winter Wonderland," the girls' gym was attractively decorated with six-foot red and white candy canes, artificial snow, and a huge, toy-laden Christmas tree.

Backward Dance

On the evening of February 28, amidst colorful decorations of Scotch plaids, the girls of Chaffey acted as escorts to the boys at the annual Backwards Dance. This popular social function was sponsored by the Girls' League. The music of the Chaffey Swing Band under the direction of Shirley Snyder and Leslie Schroeder contributed to the evening's pleasure.

Assemblies

This year entertainment was furnished the student body of Chaffey through numerous assemblies. Among the outstanding was the beautiful and inspiring Christmas program, "Gloria." It was presented by the high school glee clubs and dramatics class. The Freshman Assembly featured a one-act play entitled, "The Smell of Powder," and variety numbers presented by members of the class. "The Trysting Place" and "Goodnight Please," one-act plays, were given by the junior and sophomore classes as their contribution to student-sponsored assemblies. The seniors delighted the student body with a versatile talent show. Commemorating Lincoln's birthday, the Lincoln Club sponsored an assembly featuring the Negro baritone, Robert E. Belton.

"Janey's One-Track Mind"

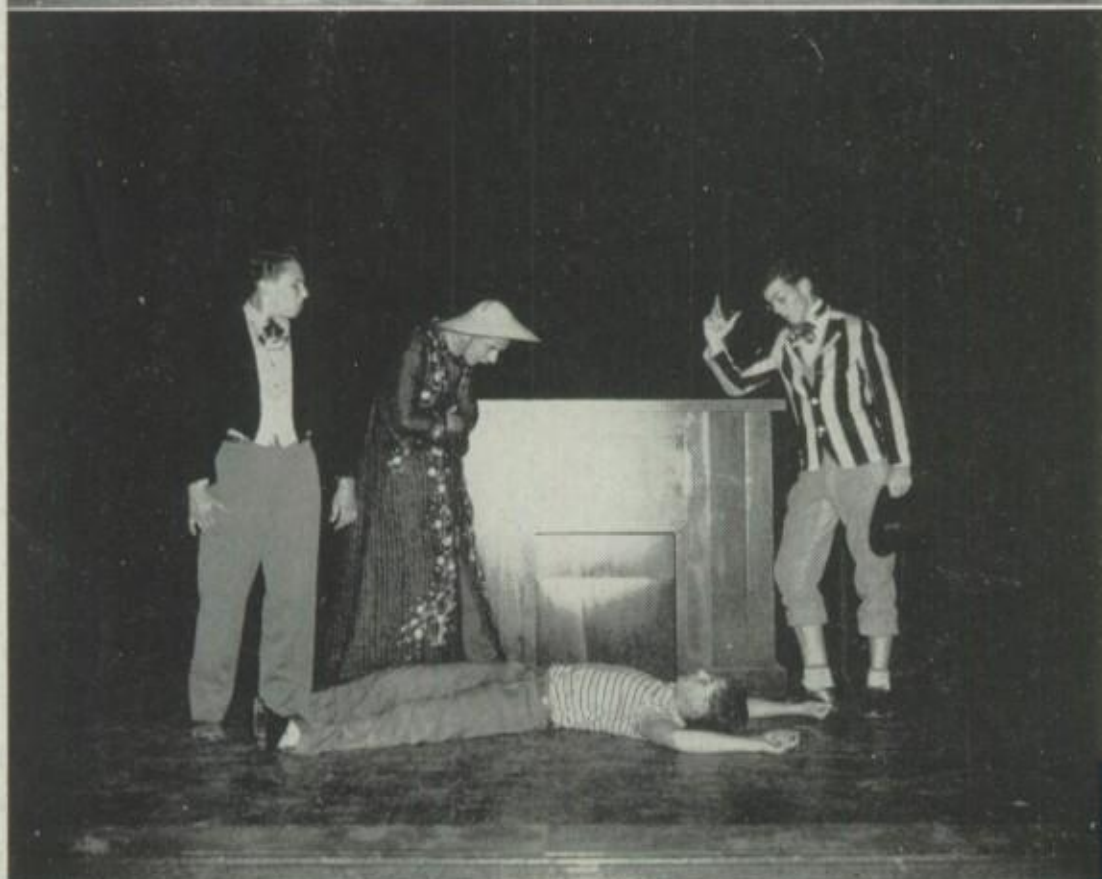

The house lights dimmed, and an expectant hush fell over the audience as the curtain rose on "Janey's One-Track Mind," presented by the Senior Class on February 21, at 8:00 P.M. in the Chatfey Civic Auditorium. The cast, directed by Miss Gretchen Lizer, interpreted a variety of characters in Janey and her friends. The action took place in the Cape Cod cottage of Janey's brother and sister-in-law. Members of the dramatics class designed and constructed the stage setting for the production.

Extravaganza

The 1946-47 extravaganza was modern in every detail. When the curtain opened on the vivid and stylized set, the audience knew it was in for an hour and a half of something different and new. In quick and efficient succession the 37 acts unfolded in professional manner. The audience was carried in its imagination from the Grand Central in New York, to the fanciful Mardi Gras in New Orleans, to the Grand Canyon of Arizona, on to California where stops were made at Palm Springs, Long Beach, and Hollywood. There was lovely music, spirited dancing, and comedy sequences that held the audience completely entertained.

Remember?

The students at Chaffey enjoyed many entertaining activities during the year. Before Christmas the proceeds from the Welfare Dance were contributed to the Welfare Drive, and money and old clothing were collected from classes for the same worthy cause. In the old clothing drive Miss Clara Bissell's first period class won the distinction of collecting the largest bundle. The Senior Class acted as hostesses to their mothers at the Mother-Daughter Banquet. Something different was held for the students in the way of a Costume Ball that was fun for all. As usual many found pleasure in the Senior Prom. Most of the student body ate luscious pies at the Senior Pie Sale where the pies were auctioned off to the highest bidders. The money from this sale was used to finance the Senior Play Day. The students' social events of the year were brought to a close by the Junior-Senior Reception which was sponsored by the Junior Class in honor of the graduating seniors.

Arleigh McConnell

Journalism

The journalism class under the direction of Mr. Arleigh McConnell has participated in many publications throughout the year. The members published the high school section of the Chaffey United Press. An innovation this year was the production by the class of the strictly high school razz sheet, "Off the Record." In addition to their regular work on the Chaffey Press, some members of the class sent material to the Scholastic Magazine.

Ambitious to train themselves in the conduct of public meetings, to improve their speech habits and obtain greater skill and versatility in speaking for particular occasions, members of the speech class formed an organization which met formally once each week. The club's meetings consisted of entertaining, informative, and persuasive after-dinner speeches, open forums, and several debates.

Throughout the year Speech Club members participated in a number of competitive speech programs. Foremost among these were the Pod-rasnik Patriotism, Australian Friendship, Lions Citizenship, American Legion Constitution, Rotary Crombi-Allen, Richardson Memorial Day Peace, and Toastmasters contests.

Scholarship Society

The Scholarship Society of Chaffey is composed of a group of students receiving a total of ten points derived from their letter grades in subjects excluding P.E. Three points are given for an "A" and one for a "B." "Scholarship for Service" was the motto accepted by all chapters of the California Scholarship Federation and was put into practice by the members taking responsibility in many activities both in the school and in the community.

An incentive for scholastic attainment was set up by the society in the form of honoring life members (those qualifying for six semesters, one being in the senior year) with pins and gold seals placed on their diplomas. The activities and entertainment enjoyed by the members were outside speakers, a motion picture, a banquet, and an all-day trip.

Girls League

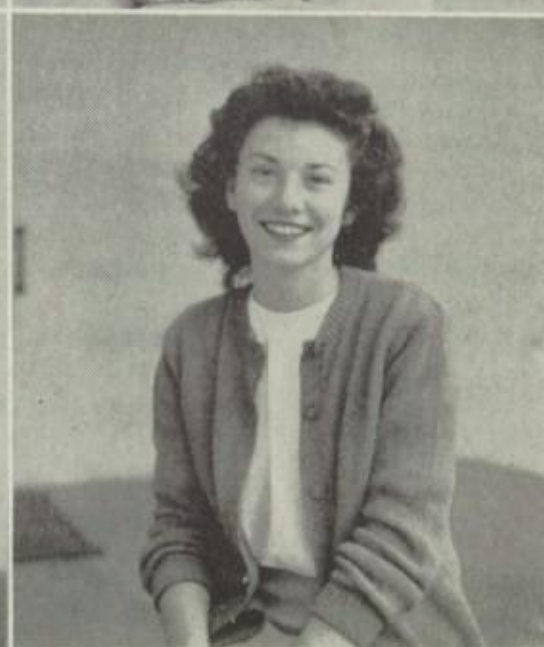

The 1946-47 Girls' League activities began with the Big-Little Sister party welcoming the new girls to Chaffey. Early in the year a forum, "Making Friends," was conducted by Miss Gretchen Lizer. In a welfare drive for European Children, sponsored by the Girls' League, 1800 pounds of clothing and more than three hundred dollars in cash were contributed by Chaffey students.

Other activities on a busy Girls' League calendar were the Mother-Daughter Banquet for senior girls and the annual Backwards Dance. The final event of the year was the Mother-Daughter Reception during which the officers for 1947-48 were installed in an impressive candlelight ceremony.

Roman Banquet

Never has the banquet room been so breathtakingly beautiful as it was this year. At one end the very large painting of the Parthenon against a deep blue sky blended with the blue ceiling and blue walls. Thirty feet of colorful Pompeian frieze united the Parthenon painting to the temple at the other end. This temple was decorated with paintings from Vergil. The tables were lighted with blue candles in white candlesticks. Camellias and Grecian lamps completed the table decorations. An impluvium on the floor in the center of the tables was filled with camellias also.

Songs in Latin such as "The Man on the Flying Trapeze" and "She'll Be Coming Around the Mountain" enlivened the evening. A group of boys sang "Arma Virum Que Cano" so feelingly it seemed they should not have to cease at all. The priest prayed effectively but the old hen refused to eat. "Dido, Queen of Hearts," was presented with an understanding of the great tragedy that has rarely been equaled. "Trojan Helen," a light musical, was sung and acted in such a way that the 100 guests were convulsed with laughter. There was a great truth presented by the faithful pupil in Latin in the form of an elephant. A good time was had by all as they ate with the fingers and were sprinkled with rose petals so that nothing that was said while drinking "vinum" (grape juice) would be repeated for it was all "sub rosa."

Coaches

In his first year as head football coach at Chaffey, "Truck" Lindsey turned in a sterling performance when, with the aid of Roy Vick, he turned out a C.B.L. championship varsity team.

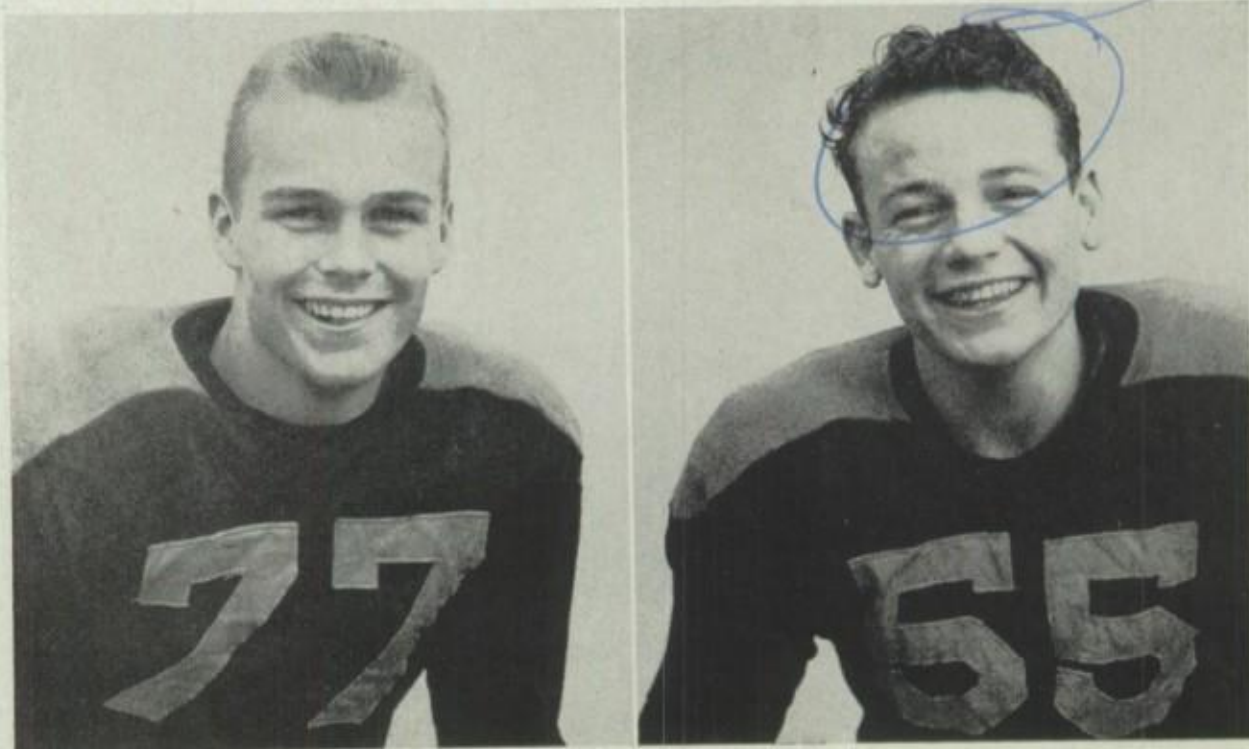

Chaffey can be very proud of its '47 eleven, which takes its place among the outstanding squads in Chaffey's history. Co-captained by Jim Hayes and Don Lucas, the team rolled through its '47 season with five wins, one loss, and two ties.

East Bakersfield

The Chaffey Tigers met the Blades of East Bakersfield on Graber Field in the opening game of the 1946 season. Early in the first quarter, a twelve-yard pass from fullback, John Whitham, to end, Jim Acosta, scored the Tigers' first touchdown of the season. Playing good football, Chaffey held its seven-point lead until the fourth quarter when the Blades unleashed a terrific passing attack,

climaxed with a baffling end run to score. The conversion was good, and the game ended, a 7-7 deadlock. Chaffey's running attack was superior throughout most of the game. It was a fitting curtain-raiser to a great season.

Fullerton

Chaffey scored its first victory of the season by handing a highly-rated Fullerton eleven a 12-0 set back. The Tigers' first tally came early in the initial period when Hayes skirted around right end and galloped 54 yards to pay dirt. A conversion pass was knocked down.

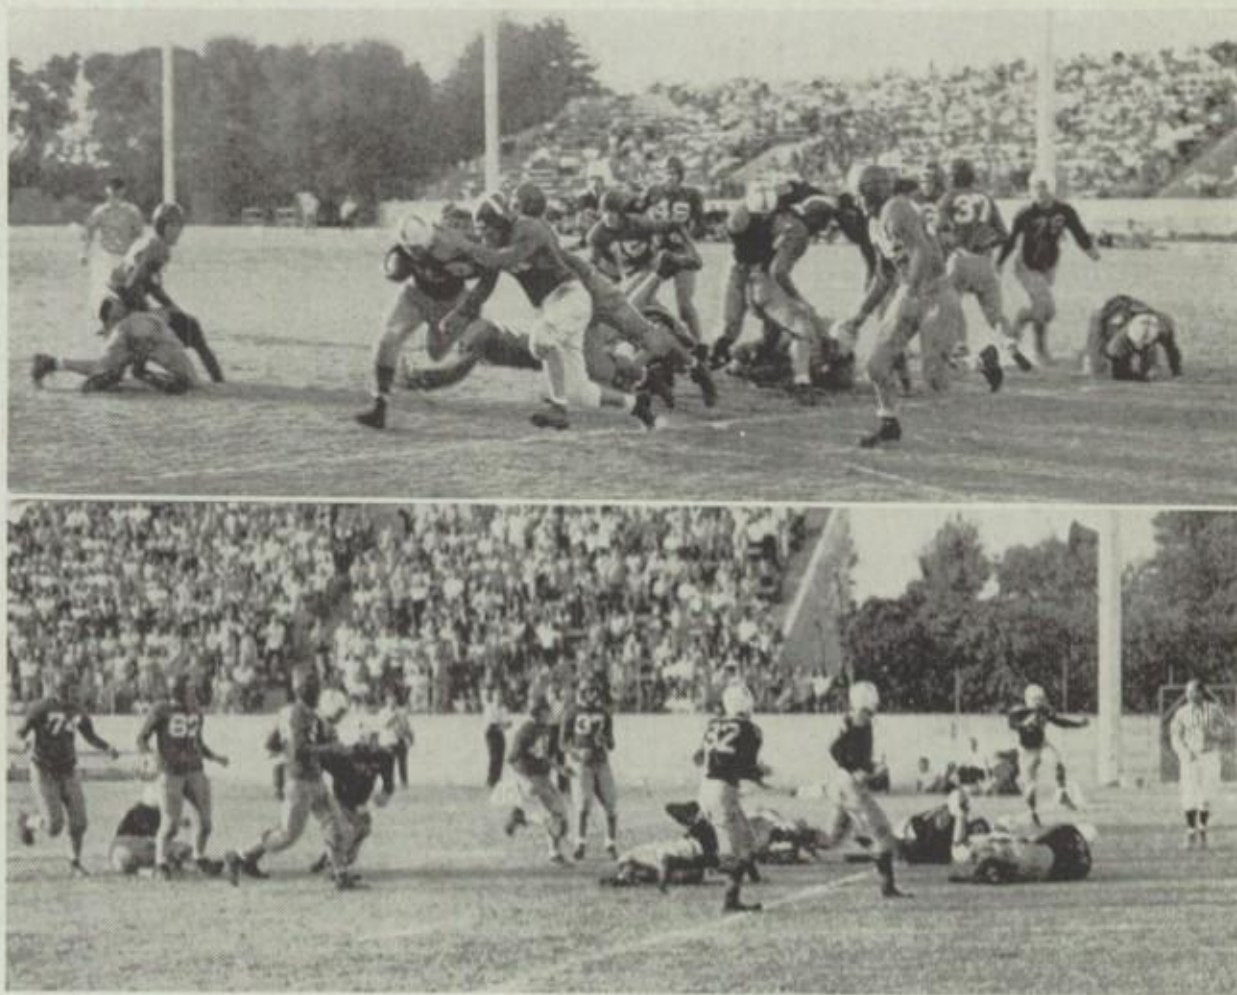

The local boys cashed in again just before the half ended when, after a series of tricky pass plays which brought the ball down to the Indian 25, Whitham leaped up in the air and flipped a short one into the outstretched arms of Jimmie Hayes, who again galloped to score. A conversion pass and run failed by inches, and that completed the scoring. Chaffey stopped Fullerton thrusts time and again with stalwart playing by ends and line-backers. Acosta, Lucas, and Kofler played a standout game on the forward wall. Hayes and Whitham spotlighted the backfield.

Compton

It was a tough and battling Compton team that came to meet Chaffey in the first afternoon game of the season. The first two periods saw the Tigers, completely outclassed by the heavier and highly touted Tarbabes, battling desperately to quell the visitors' attack. Compton led 6-0 at the half, having scored in the first two minutes.

What Coach Lindsey said to the team at half time is unknown, but a vastly improved Chaffey team came on the field to start the second half. Immediately the tide of the battle changed and the Tigers began to roll. After making five first downs in a row, Whitham tossed a pass which Hayes caught on the run for the score. Whitham bucked to convert. The Tarbabes took the kick, fumbled, and three plays later Chaffey scored again on a screen pass from Whitham to Hoyos. Ferraro ran through tackle to convert, and Chaffey had 14 to Compton's 6.---Ah yes, victory.

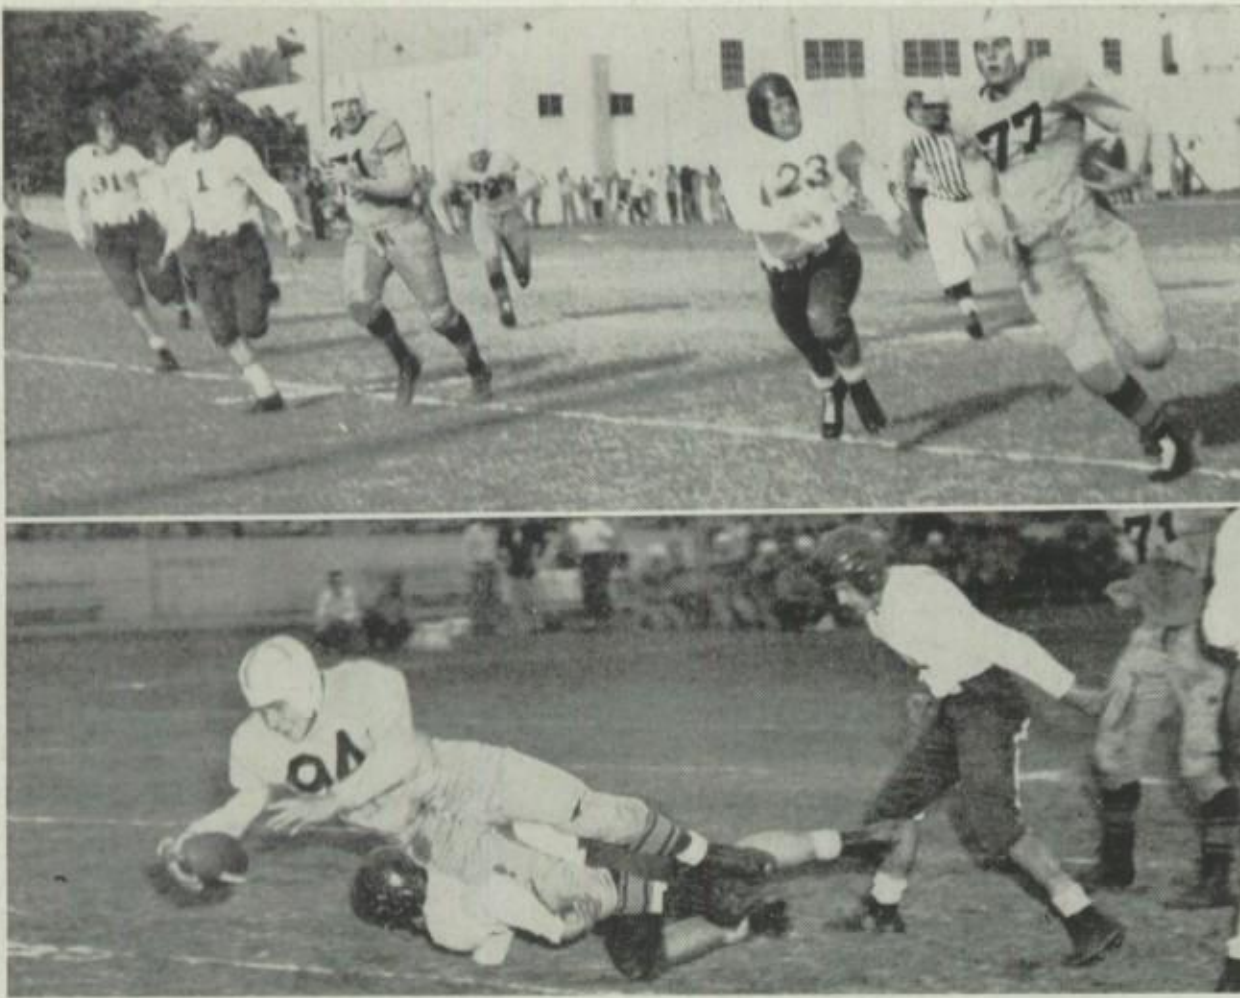

Colton

The Tigers invaded the hive of the Colton Yellow Jackets at the Orange Show Stadium in the first C.B.L. game of the season and emerged badly stung. Although the Orange and Black were the pre-game favorites, Colton proved to be very hard to convince. Colton took the opening kick-off and

marched 70 yards to score. Their conversion was blocked by the center of the Chaffey forward wall and the score was 6-0. Near the end of the second quarter Chaffey scored on a very tricky play---Hayes tossed a pass to Acosta, who lateraled to Orsburn. Orsburn lateraled to Hoyos, who scored. Chaffey threatened all during the second half but was thrown back time and again. The game ended 6-6, and Chaffey's championship hopes took a jolt. As a result of the game, some of the boys began to doubt the pre-game press reports.

Redlands

On October 25 the Redlands Terriers came to Ontario to oppose the Chaffey Tigers in their second league game. The first half was a see-saw battle. Chaffey took the kick-off and drove a few yards but could not keep up the sustained drive. Redlands out-gained the Tigers during the first and second quarters, but the Tigers held, and it was a zero tie at the half. In the third quarter Chaffey came to life and drove to the Redlands 46. Hayes faded back and passed to Acosta, who lateraled

to Ferraro. Ferraro out-ran three Redlands men to score standing up. In the fourth quarter, sparked by Jimmie Hayes, Chaffey drove 68 yards to score their second touch-down. A little later, after another drive, Ferraro went over from the Redlands three. Hayes ran two conversions and Ferraro added another. The game ended a Chaffey victory, 21-0. Much credit must be given to the Tiger line for opening holes and stopping the Redlands' attack cold when it counted.

Riverside

The Chaffey Tigers traveled to Riverside for one of the most thrilling games of the season. Striking with lightning-like speed, Chaffey piled up a 20-0 lead in the first 12 minutes of play. Chaffey's first score came after Riverside fumbled on its own 31-yard line. Ferraro ran around right end to the 21. Then Jimmie Hayes, the speedster, threaded his way through tackle for 21 yards to score. Ferraro ran over for the conversion. The second score came a minute later on a spectacular play in which Whitham tossed a screen pass to Mallory, who galloped 25 yards unmolested to score. The third score came on a reverse from Ferraro to Hayes, who carried the leather over from the 20-yard line. Ferraro again ran the conversion. In the second quarter Riverside bounded back. Ellison scored on a 40-yard

end run with four-man interference. Riverside took the ball again, and scored on a long pass from Ellison to Streeter. Chaffey stopped another Riverside threat as the half ended with the score 20-13. The second half was a ferocious defensive battle with Chaffey checking repeated Riverside drives. The Tigers began marching again in the fourth quarter. The game ended with the ball in Chaffey's possession and Riverside frantically attempting to gain possession of it. Both teams brought the stands to their feet many times with spectacular plays. It was a hard-fought victory for the Chaffey Tigers.

Pomona

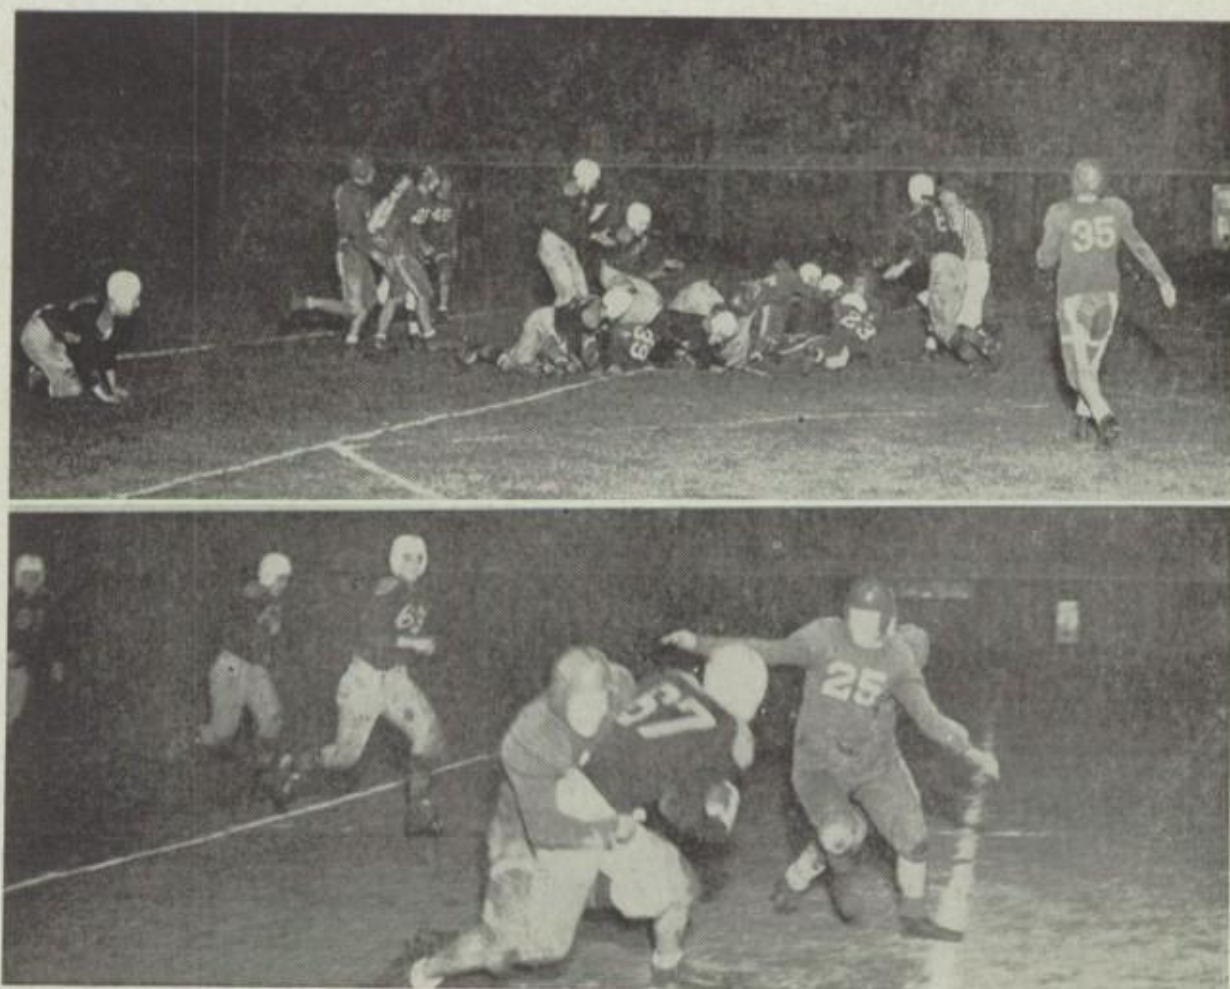

Pomona came to Chaffey for a game which some observers termed the high school game of the year. It was perhaps one of the most exciting, thrill-packed games ever played on Graber Field. The first quarter was a punting duel, with Pomona taking the advantage on the exchange of kicks. Early in the second period a bad Chaffey kick gave Pomona the ball on the Tiger 28. Pomona, on eight successive line plunges, crossed the Chaffey goal line. Kearney, who made the touchdown, kicked the extra point. As the half ended, a Chaffey rally was stopped when the Devils intercepted a pass.

Chaffey came to life in the third quarter and in a sustained drive of 80 yards scored its first touchdown. Highlighting the drive was the passing and line bucking of Johnny Whitham. Bill Gear place-kicked for the extra point. It began to look as if the game would end in a 7-7 tie, when, with two minutes to go, Jimmy Hayes intercepted Pruitt's pass on the Chaffey 35 and raced 65 yards to score. The conversion was blocked. With seconds to play, Singleton of Pomona completed a 51 yard pass to the Chaffey 21. This last minute rally was checked when Hoyos intercepted a desperation pass, and the game ended with Chaffey 13; Pomona 7.

San Bernardino

For the final league game of the season the Chaffey Tigers traveled to San Bernardino to play the strong San Bernardino Cardinals in the Orange Show Stadium. By tying the game the Tigers became undisputed C.B.L. champions. Chaffey's first score came early in the second period, when, after Mathis recovered a fumble on the San Bernardino forty-three yard line, Whitham tossed a pass to Acosta, who lateraled to Ferraro. This play was good for twenty-four yards to the 19. Then Whitham tossed to Acosta on the three-yard line. On the next play Hoyos sneaked through center to score. Bill Gear kicked the extra point. In the third period San Bernardino came to life and scored twice on long passes and a beautiful run by Reed. With five minutes to go, the Tiger second string, which really played like first stringers, blocked a kick and recovered on the San Bernardino eighty-yard line. Cookie Orsburn then threw a screen pass to Mallory, who raced across the goal line. The kick for the extra point was blocked, and the game stood 13-13. Much credit must be given to the second team which rose to the occasion, saving the game and the championship.

Huntington Beach

In the quarter finals of the C.I.F. Southern section play-offs, the Chaffey Tigers met the Huntington Beach Oilers, champions of the Sunset League, on Graber Field. The first half saw Chaffey, the aggressor, march up and down the field against their ocean-town opponents. Near the end of the first quarter, Hayes took a reverse from Whitham and ran 30 yards to the Huntington Beach three-yard line. On the next play Whitham powerhoused his way over. Gear's kick was called back on a holding penalty. Just before the end of the half, a Chaffey bobble gave the Oilers the ball on the Chaffey twenty-yard line. Huntington Beach then scored on a long pass. Their kick was blocked.

The second half saw the visitors begin to roll over the Tigers. On a hand-off from quarterback, LeBard, Wise of Huntington Beach broke through the Chaffey line and romped 40 yards to score. Hune's conversion was good and the Oilers took the lead 13-6. With five minutes to go, Whitham faded back and heaved a pass to Acosta, who lateraled to Hayes, who lateraled to Wolfe. Wolfe galloped the rest of the way, 40 yards, to score the second Chaffey touchdown. Gear's conversion kick was wide. Another last minute Chaffey rally was stopped by a holding penalty, and the Tigers received their first and only loss of the season from a fighting Huntington Beach eleven.

Song and Yell Leaders

Many groups of boys and girls tried out for the song and yell leader of Chaffey at the beginning of the year. Bill Marks and Bill L. Wolfe won the approval of the student body as its yell leaders. Bette Curteman, Ivy Jeffries and Tootsie Zmolek were selected as song leaders by virtue of their performance.

RESULTS OF GAMES

COLTON

The Cubs began their C.B.L. season by drubbing Colton 20-6. Chaffey's first touchdown came in the second quarter when Dick Noble, left end, took a reverse and ran around right end for 20 yards. In the third quarter Noble scored again, this time on a pass from right half Ted Milch. Verdell Johnson made the third touchdown a few minutes later. The Wasps scored their lone touchdown in the fourth quarter.

REDLANDS

Kaiser's Cubs had an easy battle with the Toy Terriers as they won 24-6. Kenny Austin scored twice for Chaffey; once on a double reverse, once on a lateral from Noble. Ted Milch plowed through tackle for the third score. In the fourth quarter Milch scored again by intercepting a pass on his own 10 and running 90 yards for the fourth score. The Toy Terriers made their lone score in the closing seconds of the second quarter.

RIVERSIDE

The Riverside Bearlets spoiled the Cubs' good record by defeating them 13-6. The two teams were evenly matched, but Riverside's superior passing attack, which netted them two touchdowns, gave them a victory.

The Cubs made their touchdown on a sustained drive in the second quarter with Davis, Cub fullback, going over.

SAN BERNARDINO

In handing the Cardettes a 19-6 setback the Cubs looked good. Deep in their territory the Cardettes' attempted punt was blocked. On the next play Ronny Davis, Cub fullback, went around end to score. San Bernardino scored in the third quarter. In the fourth quarter Chaffey scored twice to annex another C.B.L. victory.

POMONA

With one defeat on their record, the Cubs journeyed to Pomona for the final game of the season. In the first period Pomona's Stearns smashed through the line for a touchdown. The conversion was good. The two teams battled on even terms for the next two quarters. In the third quarter Kenny Austin scored for Chaffey on a lateral following a pass from Martin to Noble. Pomona captured the C.B.L. by winning 7-6.

Varsity Basketball Squad

Chaffey can well be proud of its basketball team. Although not at the top of the league, it was the most feared team in the circuit. The Tigers had the distinction of beating Riverside and San Bernardino, two of the best teams in the league. Johnny Whitham, guard, was third in individual league scoring with 147 points. Johnny received recognition for his excellent playing by being placed in the All-C.B.L. Quintet, chosen by the coaches and sports-writers of the league.

January 10

The Tigers opened the basketball season by defeating the highly rated San Bernardino Cardinals, 46-29. The Tiger five completely outplayed their opponents, with Don Lucas, John Whitham, Dino Papavero, Ken Carpenter, and Bill Bray all turning in excellent performances. At the end of the first quarter the score was deadlocked 11-11. By the end of the half, the Tigers had forged ahead, 23-14, and held their lead until the final gun. This game gave the Chaffey quintet their first victory and one of the major upsets of the season.

February 18

Chaffey journeyed to San Bernardino to meet the vastly improved Cardinals in a return contest. The Tigers held the powerful Cardinals in the first quarter 17-17. At the half the Tigers were behind 34-27. Wilson of San Bernardino sparked the second half by making 18 points and 33 for the entire game. Johnny Whitham, the Tiger scoring ace, was high point man for Chaffey with 16 points. Ken Carpenter was close behind with 15. The final score was 69-52 in favor of San Bernardino.

Colton

January 17

The Chaffey Tigers traveled to Colton for a night game with the Colton Yellowjackets. The Tigers piled a 10-0 lead at the end of the first quarter and led at the end of the half, 17-10. In the third quarter Colton began to come up, but Chaffey still led 29-28 at the end of that period. In the fourth quarter Chaffey's defense fell to pieces and the Colton boys, led by Dela Rosa, who sank 16 points, ran away with the game. The final score gave Colton a 46-34 decision over the weary Tigers. Whitham was high point man for Chaffey with 11 points.

February 21

Chaffey played host to the Colton Yellowjackets in their second encounter. The Tigers went in front 9-5 in the first quarter. By half-time Chaffey was still ahead 21-16. In the third quarter Lucas fouled out, and the Yellowjackets slowly but surely began to catch up. As the fourth quarter began, the Tigers were ahead 27-25. Colton caught up with the Tigers and passed them to win, 33-31.

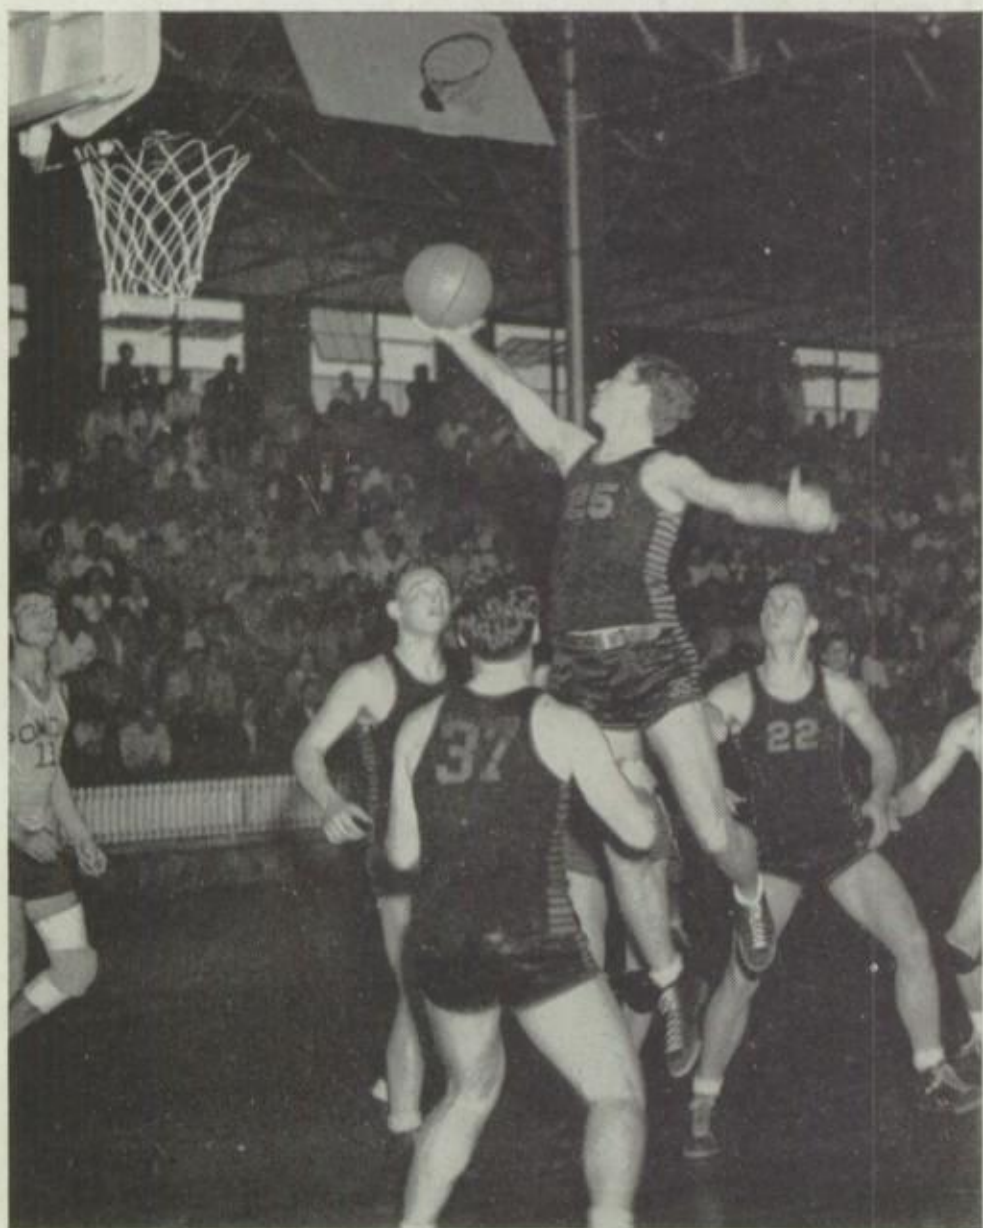

Riverside

January 28

The Riverside Bears met their first defeat of the season in a thrill-packed last period rally by the fighting Tigers. The Bears took the lead in the first period, 13-2. Chaffey was outplayed completely in the first half and the score at the half was 22-16. In the third quarter Riverside pulled ahead, 34-24. The fans got the thrill of their lives as they saw the Tigers put on a spectacular rally led by Ken Carpenter, who made 10 points in the last period alone, and 15 for the entire game. With 17 seconds to play the Tigers pulled ahead, 37-36, thus ending one of the most thrilling games ever witnessed on the Tigers' court.

February 7

The Riverside Bears avenged the previous defeat by Chaffey by drubbing the Tigers 63-51. The game was an offensive battle with both teams scoring freely. Whitham led the scoring with 23 points. At the half Riverside was ahead 33-24 and pulled their lead to 48-38 at the third quarter mark. In the fourth quarter the Tigers fought hard but couldn't catch up with the Bears.

Pomona

January 24

The Tigers lost to their traditional rivals, the Pomona Red Devils, 49-42. In the first half Chaffey held the tall, fast Pomona five 19-17. Chaffey couldn't keep up with the Devils' scoring spree in the second half, and were seven points behind when the final whistle blew. Bill Bray was high point man with 16. Dino Papavero was close behind with 11.

February 14

The Pomona Red Devils came to Chaffey to engage the Tigers for the second time. The game was very close, with Johnny Whitham again sparking the Tigers with 18 points. Pomona took the lead 9-6 at the end of the first quarter. Robbie Davis led the second quarter attack by making 12 points, thus putting the Tigers in front 22-21. In the third quarter Pomona again took the lead 34-30. The fourth quarter was very exciting with the lead changing hands many times. With one minute to go the score was tied 42-42; then Pomona made two more points to win the game, 44-42.

Redlands

January 31

The Chaffey Tigers met defeat at the hands of the Redlands Terriers on the Tigers' home court. The game was a thriller all the way, with Redlands taking an 11-10 lead at the end of the first period and a 22-16 lead at the half. In the second half Chaffey came to life and came within two points of the Terriers' score. It looked as if Chaffey might repeat its spectacular Riverside last-period rally, but the Redlands boys, led by 6'7" Bob Wagner, froze on the ball and came out on the long end of the 41-37 score. Whitham of Chaffey was high point man for the fray with 17 points.

February 11

The Tigers traveled to Redlands to meet defeat a second time at the hands of the Redlands Terriers. The game was a very fast-moving affair, with Chaffey staying on the heels of the Terriers. Lanky Bob Wagner was the main reason for the Tigers' loss. His 25 points and defensive play were too much for Chaffey. John Whitham continued his record scoring pace by sinking 22 points. At the final gun the score stood—Redlands 64, Chaffey 52.

C B L Champions

For the second straight year the Chaffey Tiger tracksters won the Citrus Belt League championship. Coach Truck Lindsey added another championship squad in his initial year at Chaffey. In a meet decided by the relay, the Tigers defeated the favored San Bernardino Cardinals 43 to 42.

The boys began workouts on the first of February. At their first meet, the Brea Olinda Relays, the Tigers scored five points to finish in a tie for fourth. Their next best effort was in the Chaffey Invitational, where they tied for fifth place. Some of the outstanding performers on this year's squad were Jim Hayes and Sherwood Beck in the sprints, Bob Waid in the low hurdles, Vyren Eberly in the 880, and Al Ashurst in the mile.

Play ball! was the resounding cry as the Chaffey Tigers entered their second year of baseball competition after a long layoff. With nine returning lettermen from last year's squad, the Tigers were hopeful of gaining the league championship. In early season practice games, the team was paced by the excellent pitching of "Big" Bill Gear, the superlative catching and hitting of "Graceful" Gilbert Beck, and the all around team play of Bill H. Wolfe. In the Pomona 20-30 Club tournament, Chaffey staged the upset of the year by defeating the strong San Diego Hoover nine, 9-1, only to lose out to Riverside in the quarter finals. The Tigers met with disaster in their first C.B.L. encounter by losing to the San Bernardino Cardinals, 7-4. However, Coach Harry Yochem was confident that the team would do better in its remaining league contests.

Swimming

At this printing the swimming team is working out daily to develop into a well-rounded aggregation. The team has good sprinters in Tommy Mitchell, Mark White, Richard Hett, Jim Wilson and Chuck Kruggel. The two breast stroke men are Van Huppert and Robert Maurel. The divers are Bill Titus and Tommy Mitchell. With Fred Clapp coaching, they should make a satisfactory showing in league competition.

C. B. L. Champions

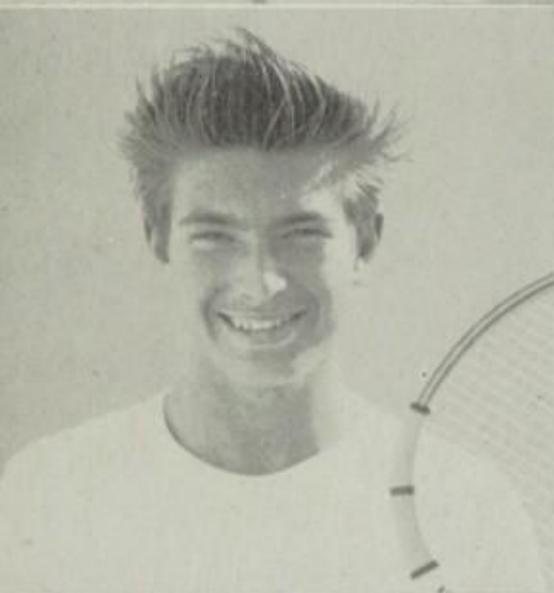

By virtue of their triumphs over San Bernardino, Redlands, and Riverside the Chaffey Tigers clinched their third Citrus Belt League tennis title in as many years. Again Coach Isaac Funk's netters were the cream of the league. Both of Chaffey's doubles teams, composed of Don Johnson and Don Stowell; Jack Whealey and Bill Wheeler were undefeated in league competition. Captain Jerry Truesdell played a fine game at first singles. Other singles men were Dick Hanna, Howard Asper, Carl Alexander, and Don Bentley.

Girls' Sports

June Teitsworth
Head of Physical Education Department

Six capable and energetic teachers and a complete supply of athletic equipment have made the Physical Education Department at Chaffey one of the best. A well-rounded program of sports is followed so that every girl has an opportunity to participate in several types of activities. For an hour a day, the students temporarily forget history tests and English compositions as they dash and scamper around basketball courts, hockey field, or baseball diamonds. After a few days of practice, tournaments in the various sports are held between the physical education classes. This intraclass competition always arouses a great deal of enthusiasm. Occasionally wet weather drives the girls into the spacious gym where they enjoy sessions of volleyball or folk dancing. Fun in the fresh air, under guidance of Misses June Teitsworth, Helen Greenlaw, Avis Fishback, Virginia Roberts, Dorothy Ford, and Betty O'Keef, has done a great deal to promote good health, sportsmanship, and cooperation among the girls at Chaffey.

Basketball

The ball is in play. The center passes to the girl with brown hair, wearing a red pinnie, who swiftly throws to the forward under the basket. The girl shoots at the basket; the ball rolls trickily around the hoop and drops into the hands of an opponent. In a few seconds it is at the other end of the court. A shadow of disappointment sweeps across the faces of the members on the red team as the white scores a point, but soon, each team having its immediately they regain spirit, determined to get the ball.

This scene was enacting the basketball season time after time during turn at winning and losing. Every day for six weeks the cement courts were filled with diligent girls, trying to improve their basketball technique, and from the direction of the gym, cries of "Shoot! Shoot!" could be heard by those passing by. After a few days of practice, tournaments were held between the classes. A feeling of triumph was expressed by the freshmen or sophomores on the rare occasions when they chanced to defeat the juniors or seniors. As skill increased, passing became more accurate, trick plays more intricate, and few fouls were committed. Basketball is lots of fun!

Volleyball

Nine girls on each side of a net, a ball, and lots of cooperation are the essentials required for a stimulating game of volleyball. Of course the first day or two must be spent in teaching Susy Que how to serve the ball over the net instead of under, and in showing Goldy Locks how to "set up" the ball.

One day, soon after volleyball season had started, Susy served the ball neatly over the net, straight at Goldy who was standing in the last row. Goldy's only thought was to support her team with all the strength in her body, so she tensed, doubled up her fists, and gave the ball a wham that sent it out of bounds. Needless to say, Goldy was thoroughly reprimanded by her teammates. The next time a ball came Goldy's way, she calmly batted it to the girl in the front row who smashed the ball over the net so swiftly it could not be rallied back.

Setting up the ball is a particularly difficult problem for almost every girl. Many times a girl becomes flustered when she sees the ball coming toward her, and her only thought is to hit it. However, after a few weeks of practice, the girl becomes aware of the fact that it is more satisfactory to attain glory as a team than as an individual.

Speedball

A combination of soccer and basketball composes the popular sport of speedball. When the ball is in the air, basketball rules are applied, and when the ball is on the ground, the game is governed by soccer rules.

Many a girl blushes with embarrassment when a series of razzings reminds her that she has picked up a ground ball with her hands instead of her toe. However, the mistake is soon forgotten when the razzers start off in pursuit of Lucy, who is dribbling the ball toward her goal. In a short time, Lucy loses possession of the ball, and it is artfully passed from girl to girl in the direction of the other goal.

At the beginning of the period, the two teams line up for a snappy kick-off. The thud of shoe leather contacting rubber breaks the tense silence, and the girls are off, running up and down the field, scurrying for the ball. Careful thinking and fast action result in a scoring touchdown for one team and a field goal worth two points for the opponents. Thus the game continues until the half when the panting girls, completely worn out, are replaced by substitutes, fresh and full of vigor.

Hockey

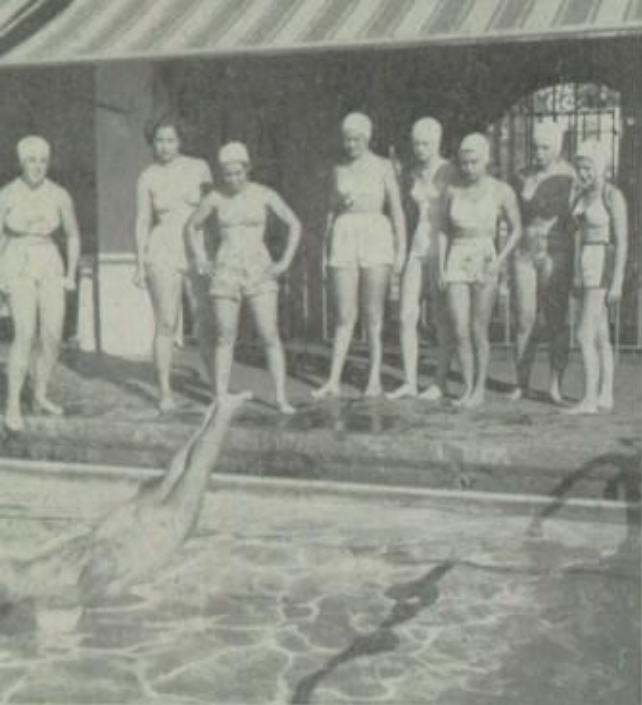

As winter set in at Chaffey and the girls' P. E. classes turned blue with the cold, the conscientious girls' physical education teachers put their heads together and came up with hockey as a substitute for overcoats.

Consequently, in the next few weeks North-Field resounded with the sounds of hockey-stick on hockey-stick and hockey-stick on shin. Limping girls, nursing bruised shins, transmitted the feeling of "hockey season is here again" throughout the whole campus. The usual number of players is eleven on a side, thus leaving a great number of girls to substitute for those unfortunates who were, shall we say, carried away by

the excitement of the game. As the girls were extraordinarily restrained this year, there were no fatalities. "Ever-ready Kelly" was, of course, prepared with stretcher, splint, and band-aid.

The girls, decorated with red, blue, and yellow pinnies, presented a colorful sight. Above the babel of screams and battlecries, Miss Greenlaw, to admonish some erring player, could be heard saying, "She's down; stop kicking her! Please roll that body off the field."

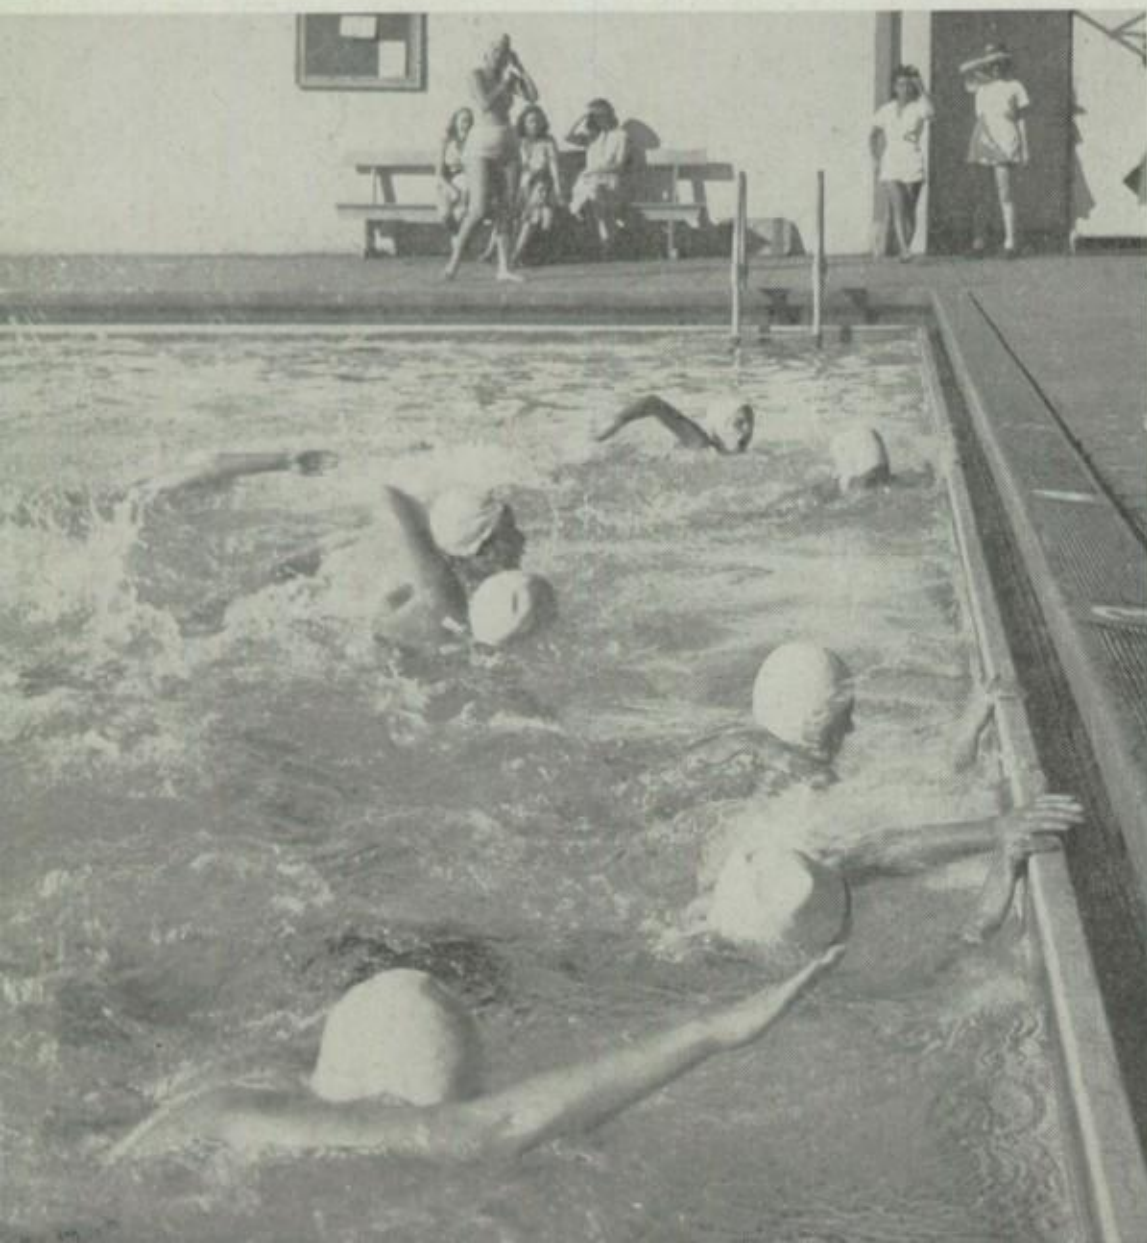

Swimming

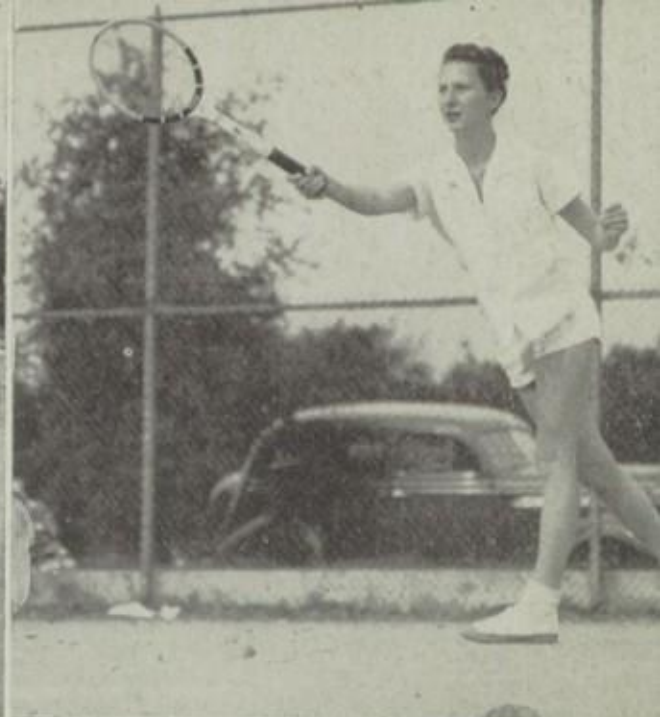

Ham and eggs, Amos and Andy, and the Katsenjammer Kids go together like swimming and hot weather. There is nothing more enjoyable than to splash around in the cool, blue water of the Chaffey plunge on a hot, sultry day. A rest on the warm deck of the pool with the sun's rays beating down on the

bathers, turning their skin a golden tan (or fiery red) is really something to remember. On cold days (and we do have a few) the bathing-suit-clad figures huddle together like chickens in the rain, staring first at the water then at the goose bumps which cover their arms and legs. However, the water

is warm even though the air is not, and if one makes a quick plunge into the water and keeps swimming, the experience is really quite enjoyable.

The physical education classes are organized according to the swimming ability of the girls. One group is for the non-swimmers, who are taught how to swim. The intermediates are given special instruction in several types of strokes. The advanced swimmers are instructed in water safety and life saving and are given an opportunity to qualify for the various Red Cross life saving certificates.

Tennis

Danger signs should be placed around the tennis courts during the first three or four days of tennis season. Instead of games filled with speed and precision, balls go everywhere, including over the fence. Millie serves the ball and Maizie chases it. Then Maizie serves it and Millie chases it. Thus the so-called "game" continues until the bell rings, indicating that the period is over. However, after a few days of hard practice, the balls tame down and tournaments are started. The girls work hard so that their names will appear high on the tournament records. During the season many exciting matches are

played. When two good single players or two double teams of equal ability come together, the keen competition creates enthusiastic interest for both players and spectators. Besides being lots of fun, the girls who take part have an opportunity

to learn to play the game properly with expert instruction from the teachers. Many girls have learned to play tennis while at Chaffey and have found it to be of genuine recreational value to them after graduating from school.

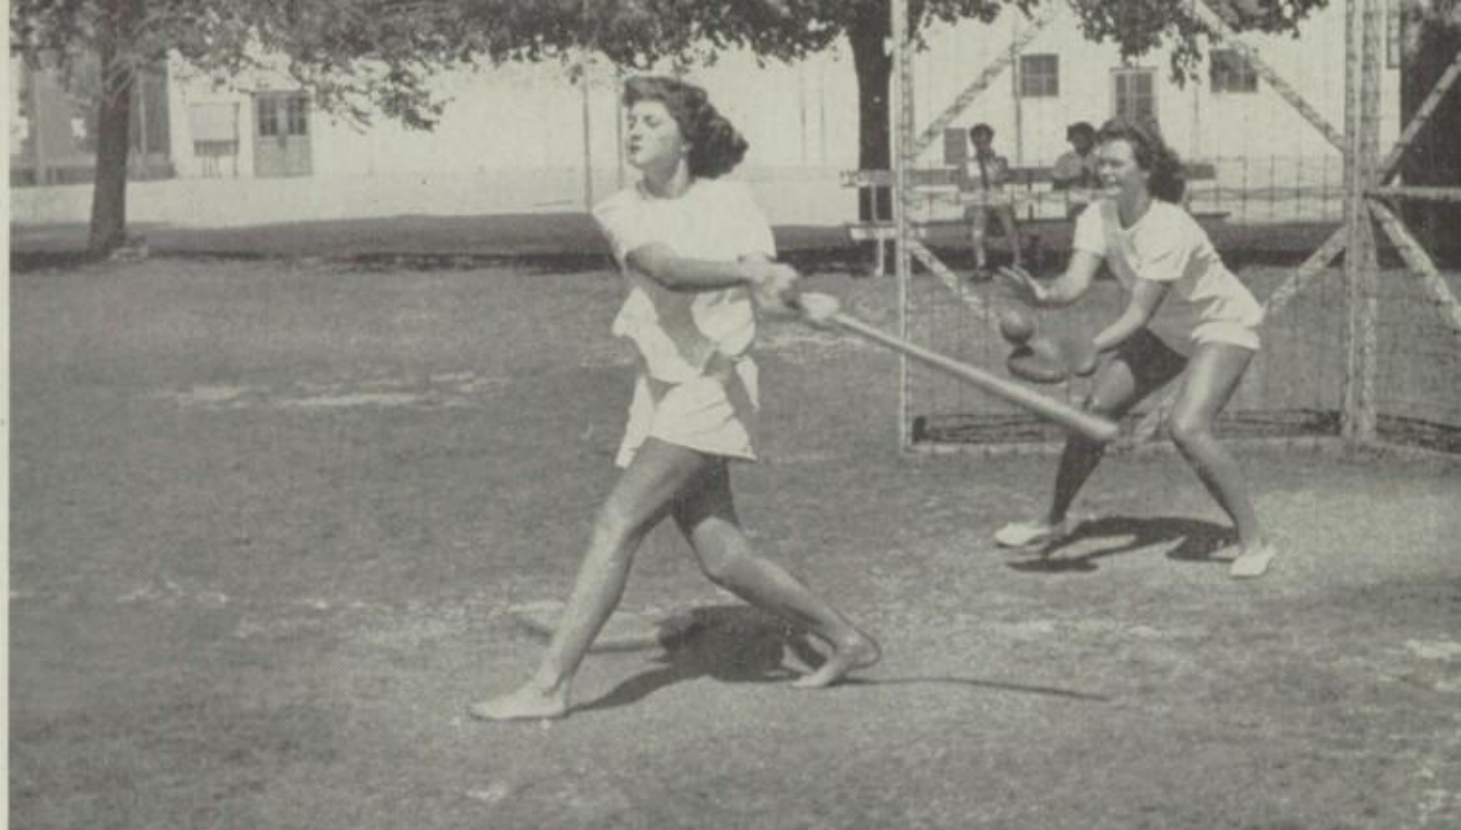

G. A. A.

There have been many inquiries about the meaning of the initials, G.A.A. They stand for the Girls' Athletic Association, an organization, the members of which meet for an hour every Monday afternoon. After watching the girls cavort around the field, "Gerties Athletic Antics," might be a suitable title, or perhaps "Gigantic Amazonic Athletes" would be more appropriate. All the members of the G.A.A. are interested in sports and are active participants in the seasonal games. The extra hour of practice gives the girls an excellent chance to improve their skill in their favorite sport. In addition to the athletic competition, the members get together for activities such as weiner bakes, picnics, and banquets.

Softball

The vigorous sport, softball, is offered to the girls who would rather run around a baseball diamond than swim. It is now fourth period as the girls, dressed in white shorts and shirts, take their assigned positions on the field. Lola pitches the ball to Meg. Meg socks the ball, which hits the shortstop, who stooped down to tie her shoe. "Hey!" she yells as she flings the ball back to the pitcher. "Why do they call this thing soft?" The game continues and Mitzie goes up to bat. She hits the ball high into the air, and Sylvia catches the fly (no, silly, not the kind that crawls on the walls). For an hour every day during softball season, the girls play their modified version of the great American game.

Badminton

Small, round objects with feathers attached, better known as "birdies," flutter back and forth between light, slender rackets! You guessed it. The girls in the gym are playing badminton. This sport is offered to the girls as a part of the physical education program. Although this game is not as strenuous as some, a great deal of skill is required to play an exciting game. After long practice, the girls are able to bat the shuttlecock back and forth with great speed and accuracy. It is particularly difficult to play badminton outdoors, for the slightest breeze easily veers the birdie from its intended path. It is comical to the people who are watching but very exasperating to the girl who swishes her racket through the air just as a playful gust of wind decides to whip the birdie over her head and out of reach. This game, introduced from India, is becoming very popular in all parts of Southern California.

Folk Dancing

Step, step, step, hop. Step, step, step, hop. Step, hop, step, hop, step, hop, step, hop. The girls are doing a schottische. Around and around the gym they circle, breaking the monotony with catchy variations. One day a week (each class is assigned a different day) the girls gather in the gym where they polka, waltz, fox trot, and tango to the rhythmic tune of the blaring phonograph. Over in the corner of the gym Lily and Pam attempt to polka. "Now it is either heel, toe, step, step, set, or . . . Oh, how does it go?" Painstakingly they separate their tangled legs and start again. At last they learn the pattern of the polka and away they go.

The schottische is a nineteenth century round dance similar to the polka, but slower. The polka is a vivacious hopping dance of Bohemian origin. Folk dancing is popular among the girls at Chaffey, particularly among the girls who are not inclined toward vigorous athletic competition.
